Special Notes:

College-entrance exams are one of the most important tests you will ever take. It dictates what colleges/universities you get into and also can translate into significant scholarship money! All schools accept both SAT and/or ACT, so you can decide which test is best for you. As an ACT tutor of 15 years, I have developed a program that helps get you a maximum score boost in order to expand your options. This bootcamp is for incoming juniors and seniors and is a rigorous week of preparation for all test sections just in time for the June ACT test.

Medical Info:

I give my permission to the camp staff to secure medical attention for my child in case of emergency. I will also allow any photos/videos taken of my camper to be used in future promotions for Grace Community Camps via website/social media platforms or brochures. I release all the staff /coaches/camp volunteers and Grace Community Church and School from any and all liability.
