### Special Notes:

Children who master handwriting are better readers and writers. The earlier we teach children to master handwriting, the more likely they are to succeed in school, and write with speed and ease in all subjects. We use fun, engaging, and developmentally appropriate instructional methods to enable children to master handwriting as an automatic and comfortable skill.

### Medical Info:

I will also allow any photos taken of my camper to be used in future promotions for Grace Community Camps via website or brochures. I release all the staff and Grace Community Church and School from any and all liability.
